

## APPLE BUTTER

*The kids love this one. Moms will too. Good for them without them knowing it, and finishing off the apple harvest of the fall.*

5 lbs. apples

3 cups sugar

Cinnamon to flavor

Quarter apples, removing core and seeds. DO not peel (pectin helps). Cook till tender. Put through sieve. Mix with sugar and flavor with cinnamon. Place in baking pan and bake in 300 degree oven for 2 hours or more. Can or freeze in pint servings .
