

Hot Crab Dip

Submitted by Candi Caprio, of Adirondack Helping Hands

1- 6 oz. can of crab-meat
18 oz. of cream cheese
2 ts.p of white horseradish

1 tsp. Worcestershire sauce
1/4 cup of sour cream
3 TBS of Holland House Sherry

Drain water from crabmeat. Soften cream cheese (out of wrapper in microwave) under 1 minute and mix together by hand. Add all remaining ingredients. Pour into a baking dish ungreased. Sprinkle paprika on top and bake in preheated 350 degrees for 30 minutes.

Serve hot with crackers or homemade bread. *“I have doubled this recipe many times and is always a big hit at our catered parties and very easy to make.”*
